What is Bullying?
Bullying is a conscious, willful, deliberate, hostile and repeated behaviour by one or more people, which is intended to harm others. Bullying takes many forms, and can include many different behaviours, such as:

- physical violence and attacks
- verbal taunts, name-calling and put-downs
- threats and intimidation
- extortion or stealing of money and possessions
- exclusion from the peer group

Bullying is the assertion of power through aggression. Its forms change with age: school playground bullying, sexual harassment, gang attacks, date violence, assault, marital violence, child abuse, workplace harassment and elder abuse (Pepler and Craig, 1997)

“Bullying is not about anger. It is not a conflict to be resolved, it’s about contempt—a powerful feeling of dislike toward someone considered to be worthless, inferior or undeserving of respect. Contempt comes with three apparent psychological advantages that allow kids to harm others without feeling empathy, compassion or shame. These are: a sense of entitlement, that they have the right to hurt or control others, an intolerance towards difference, and a freedom to exclude, bar, isolate and segregate others”

Bullying Myths and Facts:

Myth: “Bullying is just, stage, a normal part of life. I went through it my kids will too.”

Fact: Bullying is not “normal” or socially acceptable behaviour. We give bullies power by our acceptance of this behaviour.

Myth: “If I tell someone, it will just make it worse.”

Fact: Research shows that bullying will stop when adults in authority and peers get involved.

Myth: “Just stand up for yourself and hit them back”

Fact: While there are some times when people can be forced to defend themselves, hitting back usually makes the bullying worse and increases the risk for serious physical harm.

Myth: “Bullying is a school problem, the teachers should handle it”

Fact: Bullying is a broader social problem that often happens outside of schools, on the street, at shopping centers, the local pool, summer camp and in the adult workplace.

Myth: “People are born bullies”

Fact: Bullying is a learned behaviour and behaviours can be changed.

www.bullying.org is a multiple award-winning Web site that was created to help people around the world deal with the issues of bullying and taunting. www.bullying.org is a supportive international community where people can learn that they are NOT alone in being bullied and taunted, that being bullied and taunted is NOT their fault and that they CAN do something positive about it.

People can contribute their personal stories, poems, images, oral stories (audio files), music, animations and movies. In order to protect contributors’ privacy and security, no last names of young people, or personal contact information is published or shared with anyone else.

www.bullying.org also has two moderated, online support groups, one for youth and one for adults.
DON'T ACT SCARED - hold your head up, stand up straight, and don't look at the ground or your feet. Slouching, looking at the ground or your feet, and fidgeting show that you're not sure of yourself. Hold your head up and stand up straight. Look confident bullies pick on you if they think you are afraid of them. Project confidence Bullies don't pick on kids who are confident. Remember, you are NOT Alone!

LOOK AROUND SCHOOL. You're probably not the only kid being bullied. Make friends with other kids who are alone. Maybe you can help other kids.

SIT NEAR THE BUS DRIVER on the school bus.

Don't get mad GET FUNNY. It shows that you're not scared and humour can sometimes diffuse the situation

THINK OF THINGS TO SAY AHEAD OF TIME. Keep them short and don't say anything mean (don't be a bully yourself).

STAY WITHIN SIGHT OF TEACHERS AND GROWNUPS when you are at school. If they can see you, they can help you.

DON'T BRING EXPENSIVE STUFF OR LOTS OF MONEY to school. Bullies pick on kids who bring things they can take. It's not worth getting hurt. Things can be replaced but you can't!

What You Should Tell Others?

- WHAT happened to you and WHAT YOU DID
- WHO BULLIED YOU and WHO SAW it happen
- WHERE IT HAPPENED and HOW OFTEN it happened
